Enrichment – Roman museum, Christmas Production

There is an accompanying homework grid of activities linked to their learning in school. Spelling – this will be taught using rules and the children's knowledge of sounds. Words will be sent home and additional information linked to the rules will be available on Class Two's page on the website. We encourage regular practise of timetables to support maths skills across a range of topics and reading at least four times a week.

Be Curious	Be Knowledgeable	Be Adventurous	Be Ambitious	Be Creative	Be Collaborative	Be Reflective	Be Positive

Class 2 Autumn – How to Shine

Homework Grid

Each week, during this term, you must try to complete one piece of homework from the grid below. You can complete them in any order and you are not expected to complete them all.

Your homework must be neatly presented and show the effort you have put into your personal learning.
You may use ICT if you prefer.
Your teachers are expecting to see high quality homework that is full of interesting content and shows creativity.
Remember, when you are writing, you must include all those elements that are required to make your writing successful.

Write an acrostic poem using your name and other people in your family.	Write a film review on your favourite Pixar film. What did you think? Why? Explain what happens without spoiling the ending. What was your favourite bit? How many stars would you give it?	Write a postcard to your teacher. Make sure you ask questions to get a response. Post the letter to school. Will you get a response?	Using your sketching skills, draw a portrait of a member of your family.
Design and make headwear for a Roman soldier.	Create your own ice cream flavour. What flavours would you have in it? How adventurous will you be?	History – make your own quiz about Romans. 10 questions minimum.	Design a poster about “Being Confident”.
