

MONDAY

ST OSWALD

This week we are finding out about some of the first Christians in Britain who spread the good news of Jesus across the country. Have a map handy so you can look up the places spoken about in the films.

King Oswald was kind and generous to the poor. He won a battle in a field called 'Heavenfield'. Close your eyes and imagine you are sitting in that field. What can you see/hear/feel? Think about the people who are kind to you and how you can be kind to them.

DURING LOCKDOWN

Week Beginning

Monday 15th March 2021

Theme: Early Christians in Northern Britain

TUESDAY

ST AIDAN

Aidan was a great teacher. Oswald asked him to open a school on Lindisfarne Island. What do you think Aidan taught the people about Jesus?

I wonder what it would be like to walk across the causeway to the island. Aidan was a beacon of God's love. What does that tell us about him?

Pray that God will fill you with his love so that you can be a beacon of love to everyone you meet today.

WEDNESDAY

ST PATRICK

Today is St Patrick's Day. Bishop Julian tells us all about him, his life and work. St Patrick did quite a lot of travelling, he even visited our Diocese. The first church he built was called Patrick's Barn.

If you built a church, what would you call it?

Today's video is part of the Worship Together Across the Diocese video series.

THURSDAY

ST HILD OF WHITBY

Hild gave up being a princess to become a nun. I wonder, is anything so important to you that you would give up everything for it? The coast where Hild lived looks very wild. Perhaps it reminded her of when Jesus calmed the storm on Lake Galilee, and that Jesus calms the storms in our lives to. Ask Jesus to be with us all as we journey through the end of the Covid 19 restrictions. May we keep calm and be wise like Hild.

FRIDAY

ST CUTHBERT

Cuthbert was a man of prayer and healing. He loved to spend time alone with God. If it was possible, what questions would you like to ask him?

It must have been very chilly praying in the sea. Cuthbert had great faith, he healed many people. Pray today for people in hospital and those who are poorly. Ask God to be with them and the doctors and nurses.
