

TOP TIPS FOR COUNTING YOUR PLASTIC

GREENPEACE • EVERYDAY PLASTIC

THE BIG PLASTIC COUNT

The UK's biggest ever plastic waste investigation is happening now. It's time to count your plastic!

Don't feel embarrassed by how much plastic you throw away. You're showing the government the true scale of the plastic crisis and urging them to take action!

1. ASK

everyone at home to join in The Big Plastic Count.

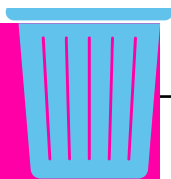

2. PUT

the Let's Count Tally Sheet somewhere accessible and easy to see.

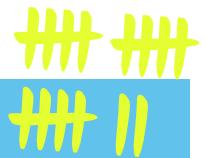

3. MAKE

a sign to remind everyone to take part and put it near your bin.

4. COUNT

every piece of plastic packaging you use for one week. If you're not sure, count it!

5. CHECK

the Plastic ID Page to help identify the plastic.

6. REMEMBER

to count every piece of plastic packaging you throw away, both at home and when you're on-the-go.
