Tuesday 7 July

Dear parent,

On Friday, we will hold an **outdoor learning** event. The vast majority of learning during the day (including celebration assembly and lunch) will take place outdoors. Some of the learning will be national curriculum-based but we will provide some enjoyable surprises too!

Outdoor Classroom is a global movement to inspire and celebrate outdoor play and learning, at home and at school. Children are spending less time outdoors than ever before (50% less than previous generations) which impacts upon health, well-being and development. Time outdoors makes children happier and healthier, as well as equipping them with the skills they need for life.

This is a non-uniform event. Children should wear suitable clothes for the weather which parents don't mind getting muddy!

The current weather forecast is for 29°C. If this remains the situation, we will ensure that children constantly have access to shade as well as regular indoor visits to hydrate and cool down.

If you are able to spare any outdoor resources for school (see photos below of tyres, pallets, pipes, etc.) please get in touch with us.

Yours faithfully,

Mr. P. Turner
Headteacher

Through God's love, we care, share and grow together
