Monday 13 July

Dear parent,

I am writing to share the outcome of our recent Ofsted inspection.

The inspection report concludes that Green Haworth Church of England Primary School requires significant improvement. This is a disappointing outcome for our school community, and we fully recognise the concerns identified by inspectors and the improvements that are needed.

We had already begun work to strengthen some areas ahead of the inspection and will now build on that work to address the findings in the report.

While the report highlights areas where we must do better, it also recognises some important strengths: Inspectors found that safeguarding arrangements are effective, pupils feel safe and included, and relationships between staff and pupils are caring and supportive. The inspection also recognised the improvement in pupil attendance.

We are determined to address the areas for improvement as quickly as possible. The school will continue to work closely with governors, Lancashire County Council, the Diocese and other partners to drive rapid improvement and ensure that every pupil receives the high-quality education they deserve.

I appreciate that this news may be disappointing and concerning for parents and carers. Please be assured that the well-being, safety and education of our pupils remain our highest priorities. We will continue to keep you informed about the steps we are taking and the progress we make.

I would like to thank parents and carers for their continued support during this time. We remain proud of our pupils and are committed to securing a better future for every child at Green Haworth.

Yours faithfully,

Mr. P. Turner
Headteacher

Ms. L. Poyner
Chair of Governors

Through God's love, we care, share and grow together
