Dear Parent/Guardian,

Sporting NRG Limited, in partnership with Lancashire County Council, are offering your child the opportunity to take part in a practical cycle training course.

The course has been organised to take place as follows:

Dates: 30th September and 1st October 26

Times: 10am until 3pm

Venue: St Peter's CoE School Accrington

During this time your child will take part in a series of cycling activities initially on the school yard, then progressing onto public highways, bridleways, canal tow and cycle paths. The course is based around National Standards and your child will be working towards the **BikeAbility Level Two** award. Please be aware that this is progressive course. If any participant fails to attain the necessary standard required during the Level One session they will not be able to continue with the progression onto public highways.

Your child will require:

1. **A bicycle** of a suitable size and in a fully maintained and roadworthy condition throughout the course. If your child's bike is below a suitable standard, when checked by instructors, they will not be able to take any part in the course. For tips on how to check your bike is roadworthy, visit <https://bikeability.org.uk/bikeability-training/get-ready>
2. **An approved cycle helmet** – this is compulsory whilst undertaking the course. Should your child not have a helmet or it is not of the recognised standard they will be loaned a helmet by our instructors.
3. **Appropriate outdoor clothing** including gloves.

Your child will also be loaned a reflective jacket that will be worn throughout the course.

All instructors that come into contact with your child are qualified National Standard Instructors and hold Enhanced DBS Disclosures.

If you wish for your child to take part in this free course please complete the attached consent form, **before 17th July 2026**, using the QR code or go to:
